

The screenshot shows the Go Dubai website interface. At the top left is the Go Dubai logo. A blue banner features the EPICOR logo and the text "The Top 10 Reasons Epicor Clients Choose Cloud ERP" with a "Download White Paper" button. A red navigation bar contains links for TOURIST INFO, CITYLIFE, EXPLORE, DINING, BEAUTY & WELLNESS, EVENTS, JOBS, TOURS, EDUCATION, BUSINESS, PRESS RELEASE, and REAL ESTATE. Below this is a secondary navigation bar with links like Press Release, Latest Postings, Product Launches, Interviews, Submit Press Release, and PR by Industry. The main content area is titled "Citylife > Press Release" and includes a search bar and navigation links (Home, Contact us, Add to Favourites). The "Most Recent Postings" sidebar lists several news items. The main article, "Latest Dubai Press Releases >>", features a headline: "Robinsons Department Store redefines fashion retail by introducing Dubai's first in-store vertical garden". The article text describes the store's plans and mentions botanist Patrick Blanc. A photo of Patrick Blanc is included. Social media sharing buttons for Twitter, Send, and Share are present. A sidebar on the right advertises "Rattan Garden Furniture" with the text "Items in Stock. Sale Now On! New Showroom off Sheikh Zayed Rd".
