Cher *Patrick,*

**Completion of Terminal 2 Expansion (T2E) Project**

I would like to extend my deep appreciation for your commitment and contribution to the completion of the Terminal 2 Expansion (T2E) project.

2 Despite the challenges that arose during the Covid-19 pandemic, you remained a steadfast partner when CAG decided to press on with the T2E project. Your passion and dedication to the project helped CAG to partially reopen T2 in 2022 and fully reopen T2 on 1 November 2023.

3 Your expertise, creativity and vision for the landscape design of T2E has completely transformed the look and feel of T2 to become a terminal immersed in nature. Your tremendous help in recommending and sourcing for suitable and unique plant species was instrumental in enabling T2 to incorporate greenery and natural beauty in truly innovative ways.

4 The completion of the T2E project marks a significant milestone in Changi Airport's journey to keep pushing the boundaries of airport innovation and passenger experience. We would not have been able to achieve this without your expertise in landscape design and invaluable contributions throughout the project.

5 Merci beaucoup!

Yours sincerely,

Tan Lye Teck
